## Experience

Senior Creative Designer / Aspin Interactive Limited

September 2001 - Present

Currently sole creative for both digital and print projects. Working on a diverse range of client projects alongside a team of programmers, designing eCommerce and brochure websites that use our inhouse content management and eCommerce system.

Responsible for all company branding and marketing including email, mailers, brochures, video and exhibition design.

Clientele includes Crabtree & Evelyn, NHS and CK Tools.

Creative Designer / Clear Vision Marketing Limited

March 1999 - September 2001

Working as part of a team designing print solutions for small to blue chip companies. Began to work on website projects learning the basics of HTML and creating graphics suitable for the web.

Clientele included Barclays, Ordnance Survey and Royal Yachting Association.
